

WOMANSONG PERFORMANCE GUIDELINES FOR ORGANIZATIONS

Womansong is Asheville's largest women's chorus performing for audiences throughout Western North Carolina for over 20 years. Our music spans an array of themes as we celebrate women's lives, struggles, empowerment, spirituality, healing, humor and relationship with each other and the Earth. Womansong's efforts are founded in the common spirit of women working and singing together.

From its inception, Womansong has lifted her collective voice to benefit others and to celebrate the spirit of humankind. Since 2000, Womansong performances have raised funds for such organizations and occasions as diverse as Helpmate, Manna Food Bank, Haywood and Transylvania County's women's shelters, Free Rein in Henderson County, Women's History Month and tsunami relief. Womansong has also been the featured musical entertainment for Hospice, Serenity in the Smokies, Martin Luther King Day celebration, Time for Our Power women's conference and many others.

In response to requests by various organizations for a Womansong performance, we have created the following guidelines. If after reviewing the guidelines, your organization is interested in contacting the chorus to produce a fundraiser or special event for you, please email webmaster@womansong.org. It is our pleasure to partner with organizations to bring the joy and transformative power of music to audiences throughout the region.
